Terra-Lux

All Condition High Power LED Light

Emaux proudly introduce an innovative all condition LED Light for wide applications such as swimming pool & spa, water feature, and landscaping.

This energy saving light is the best solution to save the energy and at the same time generates a high power lumination.

The stainless steel AISI-316 material assures optimum corrosion resistance. Its matt finished Stainless Steel surface is simply classic and elegant.

The high grade ABS plastic housing is also durable and applicable for installations such as in-ground, pool wall, deck surface, and steps.
